

Rajkiya Engineering College (REC), Banda - Campus Overview

Rajkiya Engineering College (REC), Banda, operates a fully residential campus spanning **15 acres** at **Atarra, Uttar Pradesh**, on the Banda-Chitrakoot Road. The entire campus is designed to be a self-contained ecosystem, housing all essential academic, residential, and recreational facilities. While a precise campus map showing the relative positions of every single building is not publicly available, the key components of the infrastructure are confirmed as dedicated, well-defined areas within the 15-acre campus. Here is a summary of the college's infrastructure and the location of its main facilities:

1. Academic Area (Academic Block, Labs, and Library)

Academic Block/Building: The campus features modern **Academic Blocks** and buildings, which house the various department offices (EE, ME, IT), the Registrar, and the Director's office.

Classrooms: The academic space includes spacious, modern **Smart Classrooms (SCRs)** and Virtual Class Rooms (VCRs), equipped with smartboards and audio-visual aids.

Laboratories: State-of-the-art **Laboratories** for each department provide hands-on practical exposure.

Library (Pustkalay): The Central **Library** holds over 5,000 books, journals, and digital resources, with Wi-Fi and air conditioning.

2. Food, Recreation, and Student Life

Canteen (Central Canteen): Located inside the campus, it serves healthy food from 8:00 AM to 8:00 PM.

Student Activity Centre (SAC): The hub for clubs, student activities, and welfare.

Sports Grounds: Facilities for cricket, football, volleyball, and basketball; indoor games also available.

Gymnasium and Auditorium: A modern gym and a large auditorium for events and seminars.

3. Residential and Essential Services

Hostels: The campus has five hostels for boys and girls.

Residential Apartments: Housing available for faculty members.

Other Services: Includes a grocery store, medical room, ATM, and full Wi-Fi coverage.

In summary, the design of REC Banda is a compact, organized, and fully-equipped residential campus with dedicated zones for its **Academic Block/Library**, **Hostels**, **Student Activity Centre**, **Canteen**, and **Sports Grounds**, all contained within its 15-acre boundary.
